# Z-SHAPE STAIRCASE KIT

Z-shape Staircase designs are a unique design that are often used as a feature withing a residential home. The Z-Shape design uses two 90° parallel turns that creates a shape similar to the letter "Z" if seen from above.

They are a specialised design that we occasionally design to fit around complex architecture. The Z-shape design can be made up of different landing options include Splits or Kites.

View our gallery on the following page to get some inspiration for your Z-Shaped staircase design.
